COURSE ELIGIBILITY

A candidate who has successfully passed the examination conducted by a Board/University at the 10+2 level (Class XII) of schooling in any discipline shall be eligible for admission to the programme

COURSE DESCRIPTION

The program is designed to provide students with a strong foundation in business, finance, and economics. This program equips students with analytical and managerial skills, preparing them for careers in the corporate, banking, and financial sectors. With a well-structured curriculum covering key subjects, students gain practical insights into accounting, taxation, business laws, and financial management.
