## COURSE ELIGIBILITY

A candidate who has successfully passed a Bachelor's Degree or equivalent qualification from a recognised University shall be eligible for admission to the programme.

## COURSE DESCRIPTION

The M.A. Political Science program in ODL mode is designed for learners who want to study political theory, governance, and international relations through structured self-learning materials without the need for daily online classes. The course focuses on independent study supported by printed and digital academic resources prepared according to university guidelines.

This program is suitable for students preparing for civil services and other competitive examinations, as well as for working professionals who need flexibility in their study schedules. The curriculum builds strong conceptual foundations in political systems, constitutional studies, public administration, and global politics, enabling learners to connect theory with current political developments.
