COURSE DESCRIPTION

The M.A. Political Science program is designed for students who want to gain a deep understanding of political systems, governance, public policy, and international relations. This postgraduate course develops strong analytical and critical thinking skills through the study of political theory, comparative politics, Indian government and politics, and global affairs.

With the flexibility of online learning, students can pursue advanced studies in political science while continuing with their professional or personal commitments. The curriculum encourages informed debate, policy analysis, and research-oriented learning, making the program suitable for careers in education, civil services preparation, public administration, journalism, and policy research.
